

Thank you very much for your support of our work and for your interest in our *Legacy Program*. We are honored that you think enough of Miracle Distribution Center to consider including us in your will.

Obviously the subject of having a will is a very important one. Everyone who owns any property and cares what becomes of that property at death needs a will. Besides providing instructions for distributing assets to family members, providing for dependents and naming a personal representative, a will can also include provisions for remembering worthwhile organizations. You may choose to leave a specific dollar amount or a fixed percentage of your estate to an organization or you may wish to designate that the organization receive the balance after designated individuals are provided for. In all cases we recommend that you consult with your attorney before drafting a will.

The following information about our organization may be helpful to you or your attorney in preparing your will: MIRACLE DISTRIBUTION CENTER is our corporate name and we are incorporated under the laws of the state of California. Miracle Distribution Center is on the Commissioner of Internal Revenue's cumulative list of tax-exempt organizations. Our Federal Tax ID is 33-0083896.

The following sentence may be helpful to you in naming Miracle Distribution Center in your will:

"I give, devise and bequeath to Miracle Distribution Center,
with offices located in Anaheim, California, the sum of
\$_____, to be used for its general purposes as determined
by its Board of Directors."

If you decide to name our Center as a beneficiary in your will, we would appreciate receiving a copy of the will as well as your attorney's name and address, if available.

We thank you again for your interest and support. If we can assist you further, in any way, please contact us.
